Nightly Closures on U.S. 12 at the Wisconsin & Southern Railroad Bridge

CHICAGO – The Illinois Department of Transportation (IDOT) announced that nighttime closures will take place on U.S. 12 at the Wisconsin & Southern Railroad Bridge, in Richmond, beginning, weather permitting, April 4. The closures are necessary to make railroad bridge repairs.

In order to complete the work, U.S. 12 will be closed nightly at the railroad bridge from 8 p.m. to 5 a.m. until July 15, weather permitting.

A posted detour will direct northbound traffic on U.S. 12 west on Tryon Grove Road, north on Keystone Road and east on IL 173 to reconnect with U.S. 12. Southbound traffic on U.S. 12 will take the opposite route.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
